## School Correspondence at Rogers

**At Rogers, there are several ways that we communicate school information to families:**

**The website:** Any important letters, newsletters and other general information is posted on the Rogers website. Keep the address in your 'favorites' menu.

**The blog:** The blog is used for regular updates and to showcase many of the wonderful things that happen at Rogers. There are many sub-blogs linked to our main blog that feature a variety of events from Rogers. As well, we have a new feature, "This Week @ Rogers" which is a listing of the upcoming week's information at Rogers and any messages for that week. This information DOES NOT go home in paper format. Keep the address in your 'favorites' menu.

**Email:** Once per week and when necessary, parents who have given us an email address, will be sent an email reminder about "This Week @ Rogers" as well as any other memos. If you do not receive these messages and would like to receive them, you can send an email to Ms. Trofimuk with your email to request that you be added to our list: [mtrofimuk@sd61.bc.ca](mailto:mtrofimuk@sd61.bc.ca)

**News memos:** Once per month, a news memo will be emailed out. For those families who have not provided an email, we will send home a paper copy with your child.
